#### **INDEPENDENT AUDITORS' REPORT**

The Board of Directors United Way of Rutherford and Cannon Counties

#### Opinion

We have audited the accompanying financial statements of United Way of Rutherford and Cannon Counties (a nonprofit organization), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of Rutherford and Cannon Counties as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Way of Rutherford and Cannon Counties and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of Rutherford and Cannon Counties' ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Way of Rutherford and Cannon Counties' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of Rutherford and Cannon Counties' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

### Other Matters

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The supplemental information on page 20 is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

The nonaccounting information shown on page 21, which is the responsibility of management, is presented for purposes of additional analysis and is not a required part of the financial statements. The nonaccounting information has not been subjected to the auditing procedures applied in the audit of the financial statements, and, accordingly, we do not express an opinion or provide any assurance on it.

# NOTE A – NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Nature of Organization

The United Way of Rutherford County d/b/a United Way of Rutherford and Cannon Counties (the "Organization") is a member of United Way World Wide. The Organization's mission is to improve lives by advancing opportunities for education, health, and financial stability for all. The Organization serves as a primary community solutions leader that produces measurable, sustainable results through mobilizing and engaging businesses, other nonprofits, individuals, and governmental agencies to build a stronger community. The Organization serves Bedford, Cannon, Lincoln, and Rutherford counties. Substantially all of the Organization's pledges promised and campaign revenue are from its donors located primarily in Middle Tennessee.

#### Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

#### Recently Adopted Accounting Standards

On July 1, 2023, the Organization adopted Accounting Standards Update 2016-13 Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments ("ASU 2016-13"). This standard replaced the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss ("CECL") methodology. CECL requires an estimate of credit losses for the remaining estimated life of a financial asset using historical experience, current conditions, and reasonable and supportable forecasts and generally applies to financial assets measured at amortized cost, including loans, receivables, held-to-maturity debt securities, and some off-balance sheet credit exposures such as unfunded commitments to extend credit. The new standard also requires updated disclosures. As of June 30, 2024, the adoption of this accounting standard did not have a material impact on the Organization's financial statements.

#### Basis of Presentation

Net assets, revenues, gains and losses are classified based on the absence or existence and nature of donor-imposed restrictions as follows:

<u>Net assets without donor restrictions</u> - Net assets that are not subject to donor-imposed restrictions.

<u>Net assets with donor restrictions</u> - Net assets subject to donor-imposed restrictions that can be filled by actions of the Organization pursuant to those stipulations or that expire by the passage of time.

#### Comparative Financial Information

The financial statements include certain prior year summarized comparative information in total, but not by the net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2023, from which the summarized information was derived.

# NOTE A – NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Reclassified Financial Statements**

Certain reclassifications have been made to the 2023 financial statements in order for them to confirm to the 2024 presentation. These reclassifications have no effect on net assets as previously reported.

#### Cash and cash equivalents

The Organization's cash and cash equivalents consist of demand deposits with banks with maturities of three months or less. The Organization does not include money market accounts in cash equivalents that are considered part of their investment accounts.

#### Pledges receivable

Unconditional promises to give that are expected to be collected within one year are recorded at their net realizable value, based on prior years' experience and management's analysis of specific promises made. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows. The discounts on those amounts are computed using a risk-free interest rate applicable to the year in which the promise is received. Amortization of the discount is included in public support and revenues. Conditional promises to give are not included as support until such time as the conditions are substantially met.

The Organization utilizes historical data as well as management's opinion of current economic conditions to estimate the allowance for uncollectible pledges. Pledges not collected approximately twelve months after the Organization concludes its annual fundraising campaign become delinquent and are written off during the subsequent six to nine months.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Investments

Investments are in marketable securities, mutual funds, and fixed income securities and are reported at fair value. The fair value of investments is determined by reference to quoted market prices. Investment purchases and sales are accounted for on the trade date. Realized gains and losses on the sale of securities are recognized based on the sale proceeds compared to the original cost of the investment when acquired, on a specific identification method. Dividend income is recognized on the ex-dividend date while interest income is recognized on the accrual basis.

#### Property and Equipment

Property and equipment are recorded at cost or fair value at the date of gift for donated property. Depreciation is computed using the straight-line method over the estimated useful life of the asset. Expenditures for maintenance, repairs and renewals are charged to operations as incurred, and betterments greater than \$1,000 are capitalized. The building improvements are depreciated over 10 years and furniture and equipment over 5-7 years.

# NOTE A – NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Deferred Revenue

Deferred revenue results from the Organization recognizing contributions and public support in the period in which the annual campaign is attributable. Accordingly, contributions for events and campaigns attributable to the subsequent year are deferred until the proper period.

#### Designated pledges

A designated pledge is a contribution to the Organization that is to be paid to a donor specified charity. This is an agency transaction that is recorded as a liability and is not included in public support and revenue.

The Organization's policy is for the community investment committee, which is made up community volunteers, to set investment amounts per program with designated donor contributions being the first dollars in. Any supplemental amount is invested from the unrestricted pool.

#### **Revenue Recognition**

Public support and contributions received are recorded as revenue and net assets with or without donor restrictions, depending on the existence and nature of any donor restrictions or by law. The Organization receives grants from governmental and private agencies. Typically, grants received from governmental agencies are cost-reimbursement grants for a particular project and are accounted as conditional contributions. The Organization recognizes revenues on these grants as the funds are spent. Any unused funds are forfeited and if any expenditures are disallowed, the Organization would be required to refund amounts received. Grants that are non-reimbursement in nature are considered contributions and are recognized as revenue in the year granted.

Public support and contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted by the donor for future periods or for specific purposes are reported as increases in net assets with donor restrictions. When a restriction is fulfilled (that is, when a stipulated time restriction ends or the purpose of restriction is accomplished), net assets with donor restrictions. However, if a restriction is fulfilled in the same time period in which the contribution is received, the support is reports as net assets without donor restrictions.

Fundraising event and program revenues received are not recognized until the revenue is earned, which is at the time of the event or when the services are provided, and the Organization does not believe it is required to provide additional goods or services to fulfill its related performance obligation. Reciprocal transactions within program revenues are generally registration fees or ticket sales which are recognized as revenue upon conclusion of the event.

Individuals may volunteer their time and perform a variety of tasks that assist the Organization at fundraising activities. As of June 30, 2024 and 2023, these services did not meet the criteria for recognition as contributed services and have not been recorded in the financial statements.

Non-financial contributions are recorded as revenue at the estimated fair market value, and a related expense is recorded as the items are utilized by the Organization.

## NOTE A – NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Functional expenses

The Organization's expenses are allocated to its programs and supporting services based upon direct expenditures incurred. Any expenditure that is not directly allocated is allocated among program and supporting services on a reasonable basis that is consistently applied generally based upon an analysis of personnel time allocated to each function.

#### Income Taxes

The Organization is a not-for-profit organization that is exempt from federal income taxes under the provisions of Internal Revenue Code Section 501(c)(3) and classification by the Internal Revenue Service as an other than private foundation. Accordingly, no provision for federal income taxes in included in the accompanying financial statements.

A tax position is recognized as a benefit only if it is "more likely than not" that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax benefit is recorded. Management has analyzed the tax positions taken by the Organization, and has concluded that as of June 30, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

As of June 30, 2024 and 2023, the Organization has accrued no interest and no penalties related to uncertain tax positions. It is the Organization's policy to recognize interest and/or penalties related to income tax matters in income tax expense.

The Organization files a U.S. Federal information tax return. The Organization is currently open to audit under the statute of limitations by the Internal Revenue Service for the years ended June 30, 2024, 2023, and 2022.

## NOTE B – PLEDGES RECEIVABLE

and 2023: 2024	4		2023	3	
2022 Campaign:			2021 Campaign:		
Undesignated	\$	81,611	Undesignated	\$	110,834
Designated		4,577	Designated		15,190
2023 Campaign:			2022 Campaign:		
Undesignated		595,657	Undesignated		973,990
Designated		140,646	Designated		58,353
Total		822,491			
Less allowance for			2023 Campaign:		
uncollectible pledges		(206,901)	Undesignated		500
			Designated		-
Total pledges receivable	\$	615,590	Total		1,158,867
			Less allowance for		
			uncollectible pledges		(235,039)
			Total pledges receivable	\$	923,828

Included in pledges receivable are the following unconditional promises to give as of June 30, 2024 and 2023:

All pledge receivables are deemed collectible within one year therefore no estimation by discounting of future cash flows using a risk-free rate of return is required.

## **NOTE C - INVESTMENTS**

Investments are stated at fair value and are summarized as follows as of June 30, 2024 and 2023:

	 2024	2023		
Cash	\$ 67,290	\$	62,721	
Equities-mutual funds, ETFs	1,066,560		913,158	
Fixed income-mutual funds, ETFs	501,043		474,101	
Certificates of deposit	268,741		259,738	
	\$ 1,903,634	\$	1,709,718	

### NOTE D - BENEFICIAL INTEREST IN ASSETS HELD BY OTHERS

Beneficial interests in assets held by others represent assets transferred to and held by the Community Foundation of Middle Tennessee, Inc. (the "Foundation") The Foundation has variance power and is the legal owner of the funds contributed by the Organization. The Organization is the beneficiary of the fund and receives distributions of income, subject to the Foundation's spending policy. The Organization accounts for its beneficial interest in the Foundation as an asset and is valued at fair market value based upon its proportional share of the value of the trust assets.

### NOTE E – FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification 820, *Fair Value Measurements and Disclosures* ("FASB ASC 820"), provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1- inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the organization has the ability to access.

Level 2- inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets in active markets
- inputs other than quoted prices that are observable for the asset
- inputs that are derived principally from or cooperated by observable market data

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3- inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of the input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at June 31, 2024 and 2023.

- *(i) Money market, equity and fixed income mutual funds, ETFs, and certificates of deposit:* Valued at the net asset value of shares held by the Plan at year end based on a quoted price in an active market.
- (ii) Beneficial interest in assets held at the Community Foundation: Valued, as a practical expedient, at fair value of the Organization's share of the investment pool as of the measurement date. The Community Foundation values securities and other financial instruments on a fair value basis of accounting. The estimated fair values of certain investments of the Community Foundation, which includes private placements and other securities for which prices are not readily available, are determined by the management of the Community Foundation and may not reflect amounts that could be realized upon immediate sale, nor amounts that ultimately may be realized. Accordingly, estimated fair values may differ significantly from the values that would have been used had a readily available market existed for these investments. The Organization considers the measurement of its beneficial interest to be a Level 3 measurement within the fair value measurement hierarchy because even though that measurement is based on the unadjusted fair value of assets, the Organization will never receive those assets or have the ability to direct redemption of them.

#### NOTE E – FAIR VALUE MEASUREMENTS (CONTINUED)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the organization's financial instruments at fair value of as of June 30, 2024 and 2023:

Measured using Level 1 fair value inputs:	2024	2023
Cash	\$ 67,288	\$ 62,721
Equity mutual funds and ETFs	1,066,560	913,158
Fixed income mutual funds and ETFs	501,044	474,101
Certificates of deposit	268,742	259,738
Measured using Level 3 fair value inputs:		
Beneficial interest in assets held by others	101,489	92,376
	\$ 2,005,123	\$ 1,802,094

The following represents a reconciliation for the activities for the Level 3 investment:

	2024		_	2023
Beneficial Interest in Assets Held by Community				
Foundation at beginning of year, fair market value	\$	92,376	\$	85,358
Interest/Dividend income		1,905		1,091
Realized gain (loss)		1,587		(385)
Unrealized gain		6,217		6,820
Administrative fees		(404)		(330)
Investment expenses		(192)		(178)
Beneficial Interest in Assets Held by Community				
Foundation at end of year, fair market value	\$	101,489	\$	92,376

### NOTE F - PROPERTY AND EQUIPMENT

	<u> </u>	2024	2023		
Computers and office equipment	\$	84,129	\$	77,921	
Furniture, fixtures, and equipment		38,816		38,816	
Leasehold improvements		164,412		164,412	
Totals		287,357		281,149	
Less accumulated depreciation		(262,081)		(240,651)	
Property and equipment, net	\$	25,276	\$	40,498	

Property and equipment consist of the following as of June 30, 2024 and 2023:

During the year ending June 30, 2024 and 2023, depreciation totaled \$21,430 and \$21,854, respectively.

## NOTE G - RESTRICTION ON AND DESIGNATIONS OF NET ASSETS

Net assets without restrictions at June 30, 2024 and 2023 are summarized as follows:

	2024		 2023
Board designated for agency endowment	\$	101,489	\$ 92,376
Unrestricted, undesignated		1,367,466	 1,054,498
	\$	1,468,955	\$ 1,146,874

Net assets with restrictions at June 30, 2024 and 2023 are summarized as follows:

	 2024	2023	
Net assets with time-related restrictions- Campaign 2024 and 2023, respectively	\$ 615,590	\$	923,328
Net assets with purpose-related restrictions: Financial Empowerment grant	21,546		
Born Learning grant	 13,942	,	-
Total net assets with restrictions	\$ 651,078	\$	923,328

Net assets released from the restrictions during the year ended June 30, 2024 and 2023 were \$923,828 and \$922,751, respectively.

### NOTE H – NON-FINANCIAL CONTRIBUTIONS

For the year ended June 30, 2024, the Organization received \$4,234 of food and beverages and \$5,090 of items to be sold in fundraising auctions held by the Organization.

#### NOTE I – SIMPLE IRA PENSION PLAN

The Organization has a Simple IRA for the benefit of eligible employees. An employee is eligible for participation if they had compensation of \$5,000 or more during the prior year. For each of the years ended June 30, 2024 and 2023, the board approved a matching contribution of up to 3% of each participant's compensation. For the years ended June 30, 2024 and 2023, retirement expense totaled \$11,914 and \$8,955, respectively.

#### NOTE J – OPERATING LEASES

In December 2014, the Organization entered into an operating lease for office space for 10 years with an option to extend the term for an additional 5 year period. Annual rent for each successive year after the first year will increase by 2%. The Lessor and the Organization can terminate the lease with a 30 day notice to the other party only for failure of the other party to fulfill its obligations under the lease. For the years ended June 30, 2024 and 2023, total rent expense was \$33,113 and was included in management and general, fundraising, and program expenses in the accompanying financial statements.

It is the Organization's policy to use a risk-free rate as the discount rate (4.13% at inception) for the operating lease. The weighted average remaining lease term for the operating lease is 65 months. The operating lease is presented as a right-of-use asset and related operating lease liability on the balance sheet as of June 30, 2024 and 2023 in the amounts of \$187,052 and \$214,495, respectively.

The future minimum payments under the lease for the next five years are as follows:

_June 30,	
2025	\$ 36,504
2026	37,230
2027	37,968
2028	38,718
2029	39,486
Thereafter	 19,938
Less effects of discounting	 (22,792)
TOTAL	\$ 187,052

The Organization leases office equipment with operating agreements of varying lengths. It is the Organization's policy not to present short-term leasing activities with agreements maturing in 12 months or less on the statement of financial position.

#### NOTE K – CASH SURRENDER VALUE OF DONOR LIFE INSURANCE POLICY

During the year ended June 30, 2018, the Organization was named beneficiary of a life insurance policy on the life of a donor. The donor contributes \$50,000 annually to the Organization by depositing cash into an investment account under the name of the Organization. In turn, the life insurance company uses the \$50,000 deposited into the investment account to pay the premium on the policy. The Organization has recorded the balance of the life insurance policy on the statement of financial position. As of June 30, 2024 and 2023, the cash surrender value of the donor life insurance policy totaled \$265,737 and \$227,664.

#### NOTE L – LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The Organization has \$2,877,457 in financial assets available within one year of the statement of financial position date to meet cash needs for general expenditures consisting of cash and cash equivalents of \$307,157, pledges receivable of \$615,590, grants receivable of \$58,622, other receivables of \$27,943 and investments of \$1,903,633. \$35,488 of the financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditures within one year of the statement of financial position date. As part of its liquidity management, the Organization has a policy to structure its financial assets to be available as general expenditures and related liabilities become due.

#### NOTE M – SUBSEQUENT EVENTS

Effective July 1, 2024, the Organization's legal name is changed to United Way of South Central Tennessee.

The Organization has evaluated subsequent events through September 3, 2024 which is the date the financial statements were available to be issued for possible recognition or disclosure in the financial statements as of June 30, 2024.

## United Way of Rutherford and Cannon Counties Dollars returned to our Community from Donor Dollars invested Fiscal Year ended June 30, 2024

\$1 to \$13

From July 1, 2023, to June 30, 2024, United Way of Rutherford and Cannon Counties was able to see a \$13 return for every one dollar invested in United Way.

For the year ended June 30, 2024, \$2,275,080.00 was returned into the community through the Volunteer Income Tax Assistance Program and \$929,453.00 was saved by the Single Care Prescription Discount Program. United Way also recruited volunteers, making a \$199,497.00 impact throughout this time frame. United Way also organized several volunteer events (Hometown Huddle snack pack drive, Stuff the Bus and the Community Baby Shower) that resulted in \$88,518.00 worth of donations of supplies and materials.

Additionally, United Way invested \$837,400.00 in the areas of education, income and health to improve lives in Bedford, Cannon, Lincoln and Rutherford counties. United Way was also the sole provider of the 2-1-1 program to Bedford, Cannon, Lincoln and Rutherford counties with an investment of \$26,460.00. Charity Tracker generated an impact of \$1,954,988.00 to the community through assistance to county residents. The United Way of Rutherford and Cannon Counties 2023 campaign produced designated gifts to agencies of \$369,211.00.

Mission: To improve lives by advancing opportunities for education, health and financial stability for all
